

Laborcard request form

Dear patient,

Please fill out this form for the preparation of your free Laborcard.

Your personal data is kept confidential and will not be passed on to third parties.

Under-age patients (under the age of 14) require the consent of a guardian for the Laborcard to be issued.

Title: First name: Last name:

Insurance No.: Date of birth:

Please enter your current address and telephone number for verification:

Address:

Telephone number:

Email address:

Your personal data are processed by Mühl-Speiser-Bauer-Spitzauer und Partner Fachärzte für medizinische und chemische Labordiagnostik OG for the purpose of preparing a Laborcard that facilitates access to results online. The name and date of birth are printed directly onto the Laborcard. Personal data will be processed only for the purpose of contractual performance and implementing pre-contractual measures. Should personal data not be provided, it will not be possible to prepare the Laborcard.

You can reach our Data Protection Officer at: datenschutzbeauftragter@labors.at.

You are entitled to request access to the data saved on your person (Article 15 GDPR). You are also entitled to request correction (Article 16 of the GDPR) or deletion (Article 17 GDPR) of your data under certain conditions. You may have a right to have the data provided by you handed over to you in a structured, common and machine-readable format (Article 20 GDPR).

You have the possibility of contacting the Data Protection Authority, dsb@dsb.gv.at, with a complaint.

Signature: Date:

Guardian signature: Date:
(additional guardian signature required for under-age applicants)

Your Laborcard will be delivered to your address by post within 8 to 10 working days.

Your access code will also be sent to your address by post.
